F.No. DGET-4/Gen/2006-MES/IS
Government of India
Ministry of Labour and Employment
Directorate General of Employment and Training

New Delhi, the 24th September, 2013

ORDER

Since the launch of Skill Development Initiative Scheme (SDIS), a number of courses/modules in various sectors have been developed. A detailed review of all available courses and number of candidates trained in various modules was recently undertaken. The review indicates that there are large number of courses that are not being offered by any VTP, since the inception of the scheme. Also in good number of modules, very small number of candidates have been trained.

After careful consideration of various aspects, it has been decided to withdraw the modules/courses mentioned in Annexure-I from the SDIS. Registration of VTPs, enrollment of candidates for training as well as direct assessment in these modules/courses would not be allowed under the scheme till further orders. The list of modules/courses which would be available now is at Annexure-II

All concerned may take the necessary action accordingly.
